### ProX XS-MH350X2W 350 Style Moving Head Lighting Case for 2 Units

#### Description

Invest in the best protection for your moving head lights. This Case holds 2x 350 style moving heads.

Holds two Chauvet Intimidator Beam/Spot LED 300/350s, Spot LED 400 IRC's or Intimidator Spot 355 IRC and many other moving heads with similar size, with the highest quality material and workmanship to give you the ultimate security for your moving head. If you have a passion for your gear and want to keep it safe at all times, this case will perform at the highest level every time.

The ProX XS-MH350X2W is constructed with our rugged signature 3/8" Gig-Ready Series Plywood, durable 4" rubber wheels, reinforced steel ball corners.

This Durable and high quality moving head case is manufactured with the Honey Comb laminated surface Design. Made with the super-sleek look of Honey Comb hexagon grids on all shell surfaces, which gives the cases an almost alien look! Also as opposed to regular laminated plywood cases from other manufacturers, the ProX Honey Comb design helps prevent minor to mild scratches. The Honey Comb Digital line design was inspired by the design of New York City Street Manhole covers which are made to handle rough and tough everyday punishment.

\* ProX Goes Green: The durable hard rubber foams used in our cases contain 70% recycled content. Of that 70%, 80% of it comes from recycled plastic bottles and the remaining 20% from the recycled post-industrial material. At ProX we strive to make the world a better place!
