ProX X-PWTR1X5BOX Power Center 4-way True Power Splitter Box Compatible for True Connection Delivers Power For Up To 5 Fixtures

Description

ProX X-PWTR1X5BOX Power Center **4-way True Power Splitter Box Compatible for True Connection** Delivers Power For Up To 5 Fixtures. Introducing the ProX X-PWTR1X5BOX Power Center - a versatile solution for powering your equipment. Designed to work seamlessly with TR1 connectors, this 4-Way TR1 Power Connection Splitter box efficiently **powers to up to 5 fixtures simultaneously**. Streamlining your on-stage setup, this Power Center simplifies the process, saving you valuable time.

With compatibility extending to a wide range of devices such as **lighting consoles, speakers, and amplifiers**, the True Power Connection ensures a reliable link. Whether you're sending stage lighting or audio signals over significant distances to remote consoles, this Power Center proves to be an ideal companion.

Built to endure the rigors of the stage, the Power Center boasts an all-metal chassis and robust ABS plastic materials, guaranteeing the safety and continuous power supply for your gear. Trust in the durability of ProX X-PWTR1X5BOX to keep your equipment secure and functioning flawlessly throughout your performances.
