ProX X-SPAM20X2PKG Set of 2 Deluxe 20 inch Speaker Subwoofer Pole M20 Threaded Mount 1 3/8 In. Adapter Cap

Description

ProX **X-SPAM20X2PKG** Set of 2 Deluxe **20-inch Speaker Subwoofer Pole M20 Threaded Mount** with 1 3/8 In. Adapter Cap. X-SPAM20X2PKG is convenient and makes height adjustments easy—mount one end to the top of a subwoofer with an M20 thread, and the other end mounts to a 1 3/8" speaker pocket. The pole is adjustable from 33" up to 53" in total height. It features all-steel construction with a built-in Safety Pin and an Easy-Grip Tension Knob for height adjustment.

Today, more and more pole mount subwoofers now come equipped with an M20 threaded pole mount (instead of a standard 1 3/8" socket cup). This type of screw attachment ensures no tilt or wobble. The Adjustable Speaker Pole is designed to accommodate both the modern production style of subwoofers and the original 1 3/8" pole pockets, thanks to the **included threaded adapter**. Its all-steel shaft telescopes to the desired height and remains securely held in place with a friction-locking knob and a captive steel security pin. The lower shaft is made of steel tubing terminated with a threaded lug, while the upper shaft is sized to fit satellite speakers with standard 1 3/8" pole mounts.

Features

- **Adjustable Subwoofer Poles Fits Threaded M20 Subwoofer Pole Mounts and 1-3/8" Pocket**
- **Fits Traditional 1 3/8" and Threaded M20 Subwoofer Pole Mounts**
- **Includes Removable 1 3/8" Pocket Adapter**
- **Includes ProX Carry Bag**
- **Minimum/Maximum Height: 33" to 53"**
- **125 lbs. (56.7 kg) Weight Capacity**
- **All Steel Construction**
- **Built-In Safety Pin**
- **Ergonomic Tension Knob Height Adjustment**
