ProX XS-REV71K2U WLTLED ATA Style Flight Case for Pioneer DDJ-REV7 & DDJ-1000 SRT DJ Controller with 2U Rack Space Laptop Shelf Wheels LED kit

Description

ProX® **XS-REV71K2U WLTLED** ATA Style Flight Case for **Pioneer® DDJ-REV7** DJ Controller with Laptop Shelf Wheels and 2U Rackspace flight case is designed to fit Digital DJ Controllers similar in size to the Pioneer DDJ-REV7 and is made with high-quality materials and workmanship to give you the ultimate security for your controller. This particular model includes a 20" LED Fixture **X-GLOLITE20** which illuminates your DJ controller in a variety of colors and settings. If you have a passion for your gear and want to keep it safe at all times, this case will always perform at the highest level. [These cases come in a variety of colors and other features](#)

The Build

All ProX cases are created utilizing CNC technology to assure that consistency is built within strict specifications and tolerances. ProX cases have been a family-owned business since 1984. And we strive to make the best product made to last a lifetime.

Gig Ready™ Series

ProX **Gig-Ready™** Series cases are constructed from rugged 3/8" Plywood, reinforced with steel ball corners, spring-loaded recessed padded handles, and twist-locking latches. There is additional space for cables and small accessories at the rear underneath the controller for convenience. The removable front panel allows for easy access to the DJ controller front control knobs, headphones, mic jacks, etc.

Everyday Protection

Most of our cases include our Signature **Honeycomb Digital™ Surface Protected** lamination. Made to look super-sleek with hexagon grids on all sides of the case in a variety of color options. This helps prevent minor to mild scratches during its lifetime.

Environment Safety

We strive to make a cleaner world by minimizing damage to the environment, so we switched the production of our high-density rubber foam inserts. Our rubber and foam padding contains 70% recycled materials, of that recycled content, most comes from recycled plastic bottles you throw out every day, and the remaining is from recycled post-industrial material.

DISCLAIMER: all third-party products shown are for display purposes only and are not included with this product. For the safety of your laptop or any other gear placed on the sliding shelf: DO NOT leave your laptop or any other devices (besides the controller) left inside the case. Do not attempt to move or transport the case with objects on the sliding laptop shelf while it is ajar.
